

Hospitality Management & Guest Service Excellence Diploma

Learner Workbook - Module 1

Course Information

A commercially ready instructor-led hospitality training package for hotel groups, restaurants, resorts, and international hospitality organisations.

Course	Hospitality Management & Guest Service Excellence Diploma
Module	Introduction to Hospitality
Deliverables	Workbook, trainer guide, slides, assessment pack, certificates

What Is Hospitality?

Hospitality is the professional practice of making people feel expected, respected, safe, and cared for.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

History of Hospitality

From inns and trade routes to luxury hotel brands, hospitality has always balanced welcome, shelter, food, and trust.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

Hospitality Sectors

Hotels, restaurants, resorts, serviced apartments, events, cruise, contract catering, and destination experiences.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

Hotel Classifications

Classification communicates expected standards, facilities, consistency, and service promise.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

Types of Hotels

Business, boutique, resort, airport, extended-stay, budget, luxury, conference, and lifestyle hotels.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

Customer Expectations

Guests expect accuracy, cleanliness, personal recognition, speed, empathy, and recovery when things go wrong.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

The Guest Journey

Discovery, booking, arrival, stay, service moments, departure, review, and loyalty follow-up.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

Professional Behaviour

Appearance, language, ownership, discretion, punctuality, and calm conduct under pressure.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

Hotel Departments

Front office, housekeeping, food and beverage, concierge, maintenance, security, sales, revenue, and management.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

Teamwork

Strong service relies on handovers, shared standards, escalation habits, and respect between departments.

Real World Example

A business guest notices whether the team owns the problem, not whether the department chart is perfect. The visible standard is calm, accurate follow-through.

Activity

Discuss one point in the guest journey where this topic affects satisfaction, then write one behaviour standard your team can use.

Reflection space

What does this mean in my department?

What would a guest notice if we did this well?

What habit will I practise this week?

Activities and Scenario Practice

Use these activities during the session, then add workplace notes after practice.

Role Play

A guest arrives early after a long flight. Practise greeting, empathy, options, and expectation-setting.

Instructions

Work with a partner or small group. Prepare your response, practise aloud, then capture feedback from the trainer or peers.

Learner notes

Matching Exercise

Match departments to responsibilities: front office, concierge, housekeeping, F&B;, maintenance, security.

Instructions

Work with a partner or small group. Prepare your response, practise aloud, then capture feedback from the trainer or peers.

Learner notes

Scenario Analysis

A room is not ready, the guest is upset, and a VIP arrival is due in 20 minutes. Decide the service recovery plan.

Instructions

Work with a partner or small group. Prepare your response, practise aloud, then capture feedback from the trainer or peers.

Learner notes

Housekeeping Inspection

Inspect a mock room against cleanliness, safety, amenities, maintenance, and presentation standards.

Instructions

Work with a partner or small group. Prepare your response, practise aloud, then capture feedback from the trainer or peers.

Learner notes

Reception Simulation

Complete a check-in conversation using confirmation questions, payment language, and local information.

Instructions

Work with a partner or small group. Prepare your response, practise aloud, then capture feedback from the trainer or peers.

Learner notes

Complaint Handling

Use Listen, Empathise, Apologise, Resolve, Notify to respond to three common complaints.

Instructions

Work with a partner or small group. Prepare your response, practise aloud, then capture feedback from the trainer or peers.

Learner notes

Word Search

Find: concierge, arrival, amenities, reservation, empathy, housekeeping, occupancy, escalation.

Instructions

Work with a partner or small group. Prepare your response, practise aloud, then capture feedback from the trainer or peers.

Learner notes

Crossword

Clues include: department managing rooms inventory, person supporting local recommendations, process after departure.

Instructions

Work with a partner or small group. Prepare your response, practise aloud, then capture feedback from the trainer or peers.

Learner notes

Knowledge Test

1. Which statement best describes hospitality?

2. Name four stages of the guest journey.

3. What does service recovery mean?

4. Give two examples of professional behaviour.

5. Why are handovers important?

6. What should staff do before promising a solution?

7. Name three hotel departments.

8. What is one risk of poor teamwork?

End-of-Module Review

Three standards I will apply immediately

One service risk I can help reduce

A department I need to understand better

My action for the next shift

Glossary

Term	Meaning
Arrival experience	The first physical impression at the property.
Concierge	Guest assistance, local knowledge, and personal arrangements.
Escalation	Passing an issue to the correct person.
Service recovery	Restoring trust after a service failure.
Turn-down	Evening room preparation in many luxury properties.

Personal Action Plan

Action	Why it matters	First step	Date
